We, The Students.

This past year for the first time in the history of the school, debating has been a school project. Heretofore both debating and discussion were entirely in the hands of the Wrangler Club, a boys' organization. However, this year, Mr. Huckleberry, the new Speech teacher, coached the debate team which was drawn from the student body as a whole.

The final debate team consisted of Shirley Fine and David Hedden, who debated the affirmative side of the question, and Georgia Metcalf and Mary Frances Murphy, who composed the negative team. Letters were also presented to Marion Wrege and Norman Schell for their work. Others who debated at the first of the season were James Van Dalsem, Jane Birk, and Edna Turner.

The National High School Subject for debate was: "Resolved that All Electric Utilities Should Be Governmentally Owned and Operated."

Discussion League

Mary Frances Murphy represented the school in the State High School Discussion League, sponsored by Indiana University. The first District contest on April 6 resulted in a tie between North Vernon's representative, Roger Miller, and New Albany. Other teams represented were Greensburg and Columbus. The tie was run off on the afternoon of the State Contest, and the District cup went to Mary Frances Murphy. New Albany has the distinction of having a representative in both the State Debate Tournament and the State Discussion League Tournament, although neither resulted in victory.

Speak

The season opened with an invitational tournament at Bloomington High School, where four teams represented New Albany.

All other debates of the season were canceled because of the flood except one with Male, which resulted in a New Albany victory, and a double debate with Shepherds-ville, Kentucky, which resulted in a tie.

In the State High School Debating League tournament the team defeated Mt. St. Francis and Marengo to win the County contest and also won the Sectional by defeating North Vernon. Medals were presented to the team for their victory. For the first time in New Albany's debating history, a team represented the school at the State Debate Tourney. The team was defeated by Elikhart in this tournament.

As a whole it was the most successful debate season that New Albany has ever had,

Wrangler Cup Contest

The fourth annual Wrangler Cup Contest was won by Mary Frances Murphy, representing the Speakers with the subject, "A Minimum Wage Law." Lucille Peterson, speaking on Gross Income Tax, placed second and David Hedden, a Wrangler, who spoke on "Bood Control," was third.

The contest is limited to topics concerning the government. Others who participated were Mary June Montgomery, Speaker, whose subject was "Consumer's Cooperatives", Georgia Metculf, Speaker, "A Discussion of the Supreme Court", Mary Helen Mould, "The Post-Office", Thomas Hale, a Wrangler, "Too Many Crashes", Kenneth Hay, "Neutrality", Edward Strother, "New Albany's Park System"; and Victor Coomes, "Old-Age Pension Law."

We Compete

at Danville

The first tournament competition of the year in which the Commercial Department took part was the invitational tournament at Danville, Indiana, on April 3. Students from Indiana, Ohio, and Illinois participated in the tournament. New Allsany entered students in the first year typing, shorthand, bookkeeping, and personality sweepstakes.

Prior to the contest at Danville, a local contest was held. The Rotary Club choos a committee of four to assist in the personal bearing contest. Dorothy Jacobs, winner of this contest, also placed sixth in the contest at Danville and was the only girl named. New Albany placed seventh in bookkeeping and received other recognition.

Those attending the tournament were: Ethel McDaniel, Edward Rouck, Elizabeth Zipp, Betty Salm, Dorothy Jacobs, Mary Parsons, Juania Missi, Rata Beck, Jam Million, Jane Ferrell, Melvin Weber, Lenne Keithley, Violet McCaffrey, Margaret Gerdon, Williamae Losch, Bonnie O'Bryan, Mary Elizabeth Graf, and Dorothy Busid.

Each year the Ball State Teachers College holds a mass preliminary context in which all typing and shorthand students in the schools over the state compete. Then the fifteen schools and the fifteen individuals that finish first are eligible to go to Muncie for the state contest. In the mass contest New Albany finished seventh in typing and eighth in shorthand, therefore we were eligible for the Muncie Contest. So, on April 16, a group of students consisting of Rita Beck, Aileen Lush, Mary Elizabeth Graf, Violet McCaffery, and Edward Rouck left for Muncie. The contest was held at the college Saturday morning from 9:00 A.M. until 12:30 P.M. When the scores had been compiled it was found that the shorthand team ranked seventh in the state and the typing team was ranked fourth. In the typing contest Rita Beck had the fewest errors of any contestant in the state.

In Art

The American Legion Auxiliary sponsored a Poppy Day poster contest in the Art department for the purpose of having a representative poster in the state contest. Eleven Art students entered, and five were awarded prizes in assembly by the representatives of the local American Legion Auxiliary. Those receiving awards were:

Norbert Bir, first prize of \$2.00; Richard McCulloch, second prize of \$1.00. Those receiving honorable mention were William Neville, Ethel Sprigler, and Virginia McFarlan.

In Music

Sarah East, playing the ninth movement of De Beriot's Concerto, won third place in the violin division of the state music contest, held April 19, at Bloomington in which 74 Indiana Hips School students participated

She was one of four violinists in the Sectional music tourney held at Seymour April 2, and was chosen to take part in the state contest.

Her sister, Mona Alice, found no competition in piano or cello in the sectional and so easily won her way to the state where she played, among other selections, "Witches Dance" by McDowell and Ponnjo's "Mazurka"

In Citizenship

The Ruth Bryan Owen Medal was awarded by Mrs. Elmer Anderson, D.A.R. regent, to Mary Frances Murphy on Thursday, May 6, in assembly, for outstanding leadership in the high school.

In Story Writing

With her short story, "Turkey Daze," Mary Parrish won the local Psi Iota Psi short story contest and S5. Last year's winner, Doris Whitinghill, also won the province prize in this contest, open to all Senior grifs.

FOOTBALL "The best team in many years." This tribute, the highest an athletic team can receive in New Albany High School, was paid them by their coach, Alec Thom.

On the night of September 18, our gridmen made their debut against Seymour. With 2,000 fans cheering them, they swamped the opposition 20-7.

Playing the more elite the Bulldogs scheduled a Northern team, Central of South Bend. Hopelessly ouclassed the first half but struggling on with sheer physical courage a most regretable accident happened. Art Brown, captain-elect of the baskethull squad, broke his leg while playing in the backfield. What more could be said than the team came bask and took the stutation in hand by hadmid the Northernera a 19-14 drubburn.

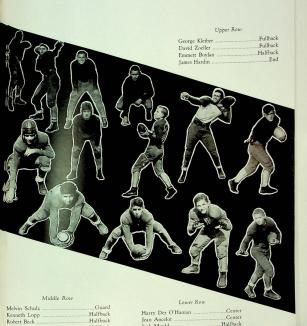

The Red and Black coasted through to an easy conference victory over an inferior Bicknell team, October 2, by a score of 24-0.

Slipping and sliding in a murky sea of mud the Canines battled Bosse of Evansville to a scoreless tie. Surging back and forth like a pendulum, both teams plunged, passed and unleashed a series of trick plays but to no avail.

It seemed like an epidemic. New Albany out for revenge journied to Male High School in Louisville. In the opening periods, Perkins skirted right end for twenty yards to place the ball on Male's ten yard line. The play was called back because of off-sides. The Bulldogs scored early in the second stanza. Male scored their touchdown in the third quarter on a debatable play.

In another conference game New Albany downed Princeton in a one-sided affair to the tune of 51-0.

The Vincennes Alices played host to The Bulldogs October 30. Our gracious hosts were trounced 25-13 in an exciting game. The Zoeller to Hardin pussing combination reached its zenith in this game. Time after time Zoeller faded back and hurled the oval into the outstretched arms of Hardin who gathered it in his arms and sped away to gain more yardage.

Traveling to Linton the boys flayed the Miners 21-6 for the last conference games.

The cadets of K.M.I. brought their soldiers to Buerk Field on November 14. The Canines opened up with a barrage of fast running plays and passes to make the Generals surrender 21-7.

It took 4,000 "snow men" and a score of 7-0 to furnish a climax of an almost perfect football season. New Allamy played host to the St. Avaier Tigers in their annual Thanksgiving game. Recovering a fumble the Dogs marched to the St. Xavier goal line. Perkins went over. D. Zoeller converted to score the last point of the 1936 season.

BASKETBALL Injuries!! Floods!! Bad Luck!! This might easily describe the 1936-1937 basketball season. "Junic" Weinmann, first string forward, underwent an operation from which he never fully recovered. Art Brown, Captain-Elect, suffered a broken leg while playing football.

With this staring him in the face, Coach McConnell dug in and went to work. They opened with F. J. Reitz, December 3. The Evansville team defeated New Albany 24-20.

Playing another Evansville team, Central, the boys were beaten by the same score. The next night they motored to Columbus to take a 34-27 walloping.

Again that four point jinx crept into the score; this time Vincennes shadowed the Bulldogs 30-26.

Every cloud must have a silvery lining. The basketball team got their break when they met Bloomington. They trounced them 28-20.

With the taste of victory still in their mouths they took Corydon in stride. The "Old Capitol" boys were set back 23-20.

The team, along with the fans, now had a better mental attitude when they went into the Blind Tourney. In the first round New Albany eliminated Corydon 41:28. That same round Salem eked out a win over Paoli 19:16. In the final bout, New Albany whipped Salem 53:28 to take the cup.

The Bulldogs journied to Bedford to meet the dreaded Stonecutters. Our boys were defeated after playing one of the hardest games of the season. The score was 39-36.

Washington came to New Albany to avenge a defeat of last season but went home with a 23-18 shellacking to make up next year.

Seymour and Bicknell fell before the snow ball as it gathered speed. Again the boys began to look like a tournament squad.

Meeting Franklin in another close thriller, this time the victor, they walked off the floor with a 39-34 victory in their purse.

Basketball, basketball, basketball, three days of basketball. But out of the fog reared N.A.H.S. to cop the final game from Corydon 47-23.

A week later we rode to Mitchell to the Regional. We hurdled Paoli 24-13 in the first round. But the Bedford Stonecutters chiseled us for a score of 34-16 to gain a trip to the semi-finals.

TRACK "The forgotten men in N.A.H.S. athletics." This terms the Bulldog thinly clads. They met Corydon in the opening meet of the season. The final score was New Albany 86, Corydon 33.

Coach Thom prepped his men in spikes for the S.I.A.C. meet at Indiana University. They brought back the plaque. Their score was 41\frac{1}{2}}. Bosse of Evansville was their nearest competitor with 28 points. Wrege broke the meet record for the century dash in 10.1. Hubbard smashed the high hurdle record in 16.1. Bob Beck added his bit by running the mile in 4.44 for another record. Still another mark was shattered by the half mile relay, Bertrand, Perkins, Donaboe, and Hardin ran it in 1.38:2.

The thinlys traveled to Male to lose a close meet 49-37. Holding the annual Sectional track meet at Burk' Field, N.A.H.S. sent eight men to the state meet at Indianapolis . . . they were John Wrege, Don McWilliams, Bob Beck, Wayne Wagner, Charles Rov, Ball Hubbard, Im Hardin, Pete Timperman, Chet Crumbo, and Ed. Donahoe.

John Wrege placed fifth in the hundred yard dash. The mile relay ran fourth.

Lenne Keithley likes to sing
But he likes a lot of things—
Especially blondes with big blue eyes—
He just looks and looks and sighs and sighs.

Mark Gohmann just loves his school, At least he gives that impression, But what he really longs to do Is to slip out during the fourth session.

On the track, he has seconds to spare,
But really he's fonder, deep down in his heart,

Senior Class Play

"But, Sylvanus, he's only seventeen" And so he was, for this year the Senior Class presented "Seventeen" by Booth Tarkington. Because of a late start only one cast was selected and contrary to precedent the play was produced by Speech II class, and was coached by Mr. Huckleberry, Speech teacher.

Practice proceeded with much laughter, and other students in the Senior Class took charge of the costumes, lighting, properties, stage setting and publicity.

"Seventeen" is the story of Willie Baxter, just seventeen, who suffers all the pangs of his first love affair. The object of his affections is Lola Pratt, who is very proficient at bady-talk. Willie's mother tries to help him throug this difficult stage, while Jane, his little sister, makes his life miscrable.

The play was presented only one night and had the following cast:

Willie Baxter	James Strother
Mr. Baxter	
Joe Bullitt	John Bird
Genesis	Homer Money
Johnnie Watson	Garrett Tyler
George Trooper	Fred Penn
Wallie Banks	Felix Losson
Mr. Parcher	Edward Donahoe
Jane Baxter	
Lolla Pratt	Juanita Seburn
May Parcher	
Ethel Boke	
Mary Brooks	Lucille Davis
Mrs. Baxter	Mary June Montgomery

- Oct. 29—We do claim Jim Farley's gift from the reaction to the Republican rally that they (Democras) have a pretty good chance no matter what happens to Landon. By the by, the public speaking department is all right. In other words we like our new teacher.

"I LIKE TO STUDY BY A BETTER SIGHT LAMP"

School days are happier with better light

The soft, glareless illumination from a Better Sight Lamp doesn't strain the eyes and cause that drowsy listless feeling. That's why youngsters do their homework cheerfully—and get better grades, too—when they can study by a Better Sight Lamp. And grown-ups will find that their own eyes are less easily fatigued under proper illumination. The new Better Sight Lamps are scientifically designed to eliminate glare and shadows, and to protect eyes from strain. You can get these lamps in floor, lounge and table models. See them at your dealer's or our showroom.
